

August 27, 2010

To whom it may concern,

This letter is provided to confirm that DPW Solar has approved Wiley Electronics' WEEB grounding hardware for use with its products. These products include the Power-FAB™ CRS (Commercial Racking System), Power Rail™ Top-Clamping Mounting System, Power Grid ballasted system, Top of Pole Mounts, Multi-Pole Mounts, BRM (Ballasted Roof Mounts), LGM (Large Ground Mounts), Roof/Ground Mounts, including the RGM, LPRGM, and TTRGM types, and Side of Pole Mounts.

The hardware provides a suitable ground when properly installed per the instructions available on the Wiley Electronics website, <http://we-llc.com>.

Regards,

A handwritten signature in blue ink that reads 'Jeff Randall'.

Jeff Randall
Vice President, Engineering
