

The WILEY module wire management clips are made of corrosion resistant 304 stainless steel, which makes for a durable, long lasting and reliable solution in all environments. The coined edges are designed to help protect cable insulation from damage. The WILEY module wire management clips are easy to install and fits onto a wide range of module frames/purlins.

Catalog Number	ACC	ACC-PV	ACC-FLD
Item Number	30020080	30020081	50017421
Material	304 stainless steel	304 stainless steel	304 stainless steel
Width	0.40"	0.40"	0.40"
Overall Length	0.66"	0.72"	0.75"
Number of Wires	1 to 2 USE-2 wires or 1 PV wire	1 to 2 PV wires	1 to 2 USE-2 wires or PV wire
Wire Diameter	Max: 6.7mm	Max: 7.50mm	Max: 7.50mm
Flange Thickness	Compatible on modules/purlins with a flange thickness range of 1.3 to 2.5 mm		

- High quality, long-lasting, labor savings, wire management solution
- Superior corrosion resistant 304 stainless steel
- Coined edges to help protect cable insulation from damage
- Accommodates USE-2 or PV cable
- Installed onto the module frame flange
- Lasts the lifetime of the PV system
- Recommended for outdoor use
- RoHS Compliant
- **Listed to UL1565**
- Custom designs are available upon request
